

ERRATIC DARK RIDE

THE MOST UNPREDICTABLE
JOURNEY YOUR VISITORS
ARE GOING TO TAKE

The Erratic Ride combines our love for storytelling, group experience, Interactive Dark Rides and the best features of the Interactive Theater with an unexpected twist:

the experience is always different.

The vehicles will go in different rooms every time, but they will reunite in a ballet in the center of the attraction.

Visitors will not be able to guess the next journey they will see, while we still provide state of the art interactivity and added secrets target to collect.
