## Redefining compact interactive entertainment on the move

Moviemax offers guests a chance to experience high-standard interactive entertainment typically found only in theme parks, now available at funfairs and itinerant events.

### **INNOVATIVE DESIGN**

The attraction's ingenious design, unveiled from a simple container, transforms into a beautiful compact setting reminiscent of a vintage Hollywood movie theatre, complete with an abundance of classic light bulbs and iconic marquee signages.

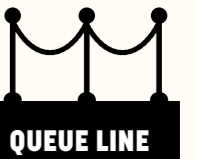

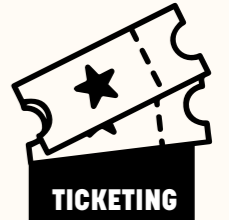

### **4 MOVIES & SPECIAL EFFECTS**

Moviemax offers a unique choice between four movies, catering to a wide range of audiences, from families and children to teenagers. Notably, Moviemax incorporates 3D technology and a range of special effects, including wind, water, stroboscopes, and smoke, enhancing the immersive experience.

### **AFFORDABLE BUDGET**

This cost-effective attraction, adapted for fairs and itinerant events, boasts an easy setup requiring just 2 to 3 hours and minimal operator involvement, translating to lower operational costs.
